

Chapter 1	Introduction		
	Motivation and Problem Statement	Objectives	Thesis Structure
Chapter 2	Theoretical Foundations and State of the Art		
	DPP: Concept and Architecture	State of the Art (Literature Review)	Research Gaps
Chapter 3	Mapping the Industry: A Quantitative Analysis of DPP Initiatives		
	Quantitative Analysis of Industry Initiatives (Cirpass Database)		
Chapter 4	Expert-Driven Evaluation and System Modeling		
	Expert Interviews	Utility Value Analysis	DPP Generic Model
Chapter 5	From Theory to Practice: Technical Design and Pilot Implementation		
	Technical Design and Architecture	Pilot Implementation	
Chapter 6	Critical Evaluation and Future Outlook		
	Analysis of Results, Discussion, and Future Directions
